Edit Content

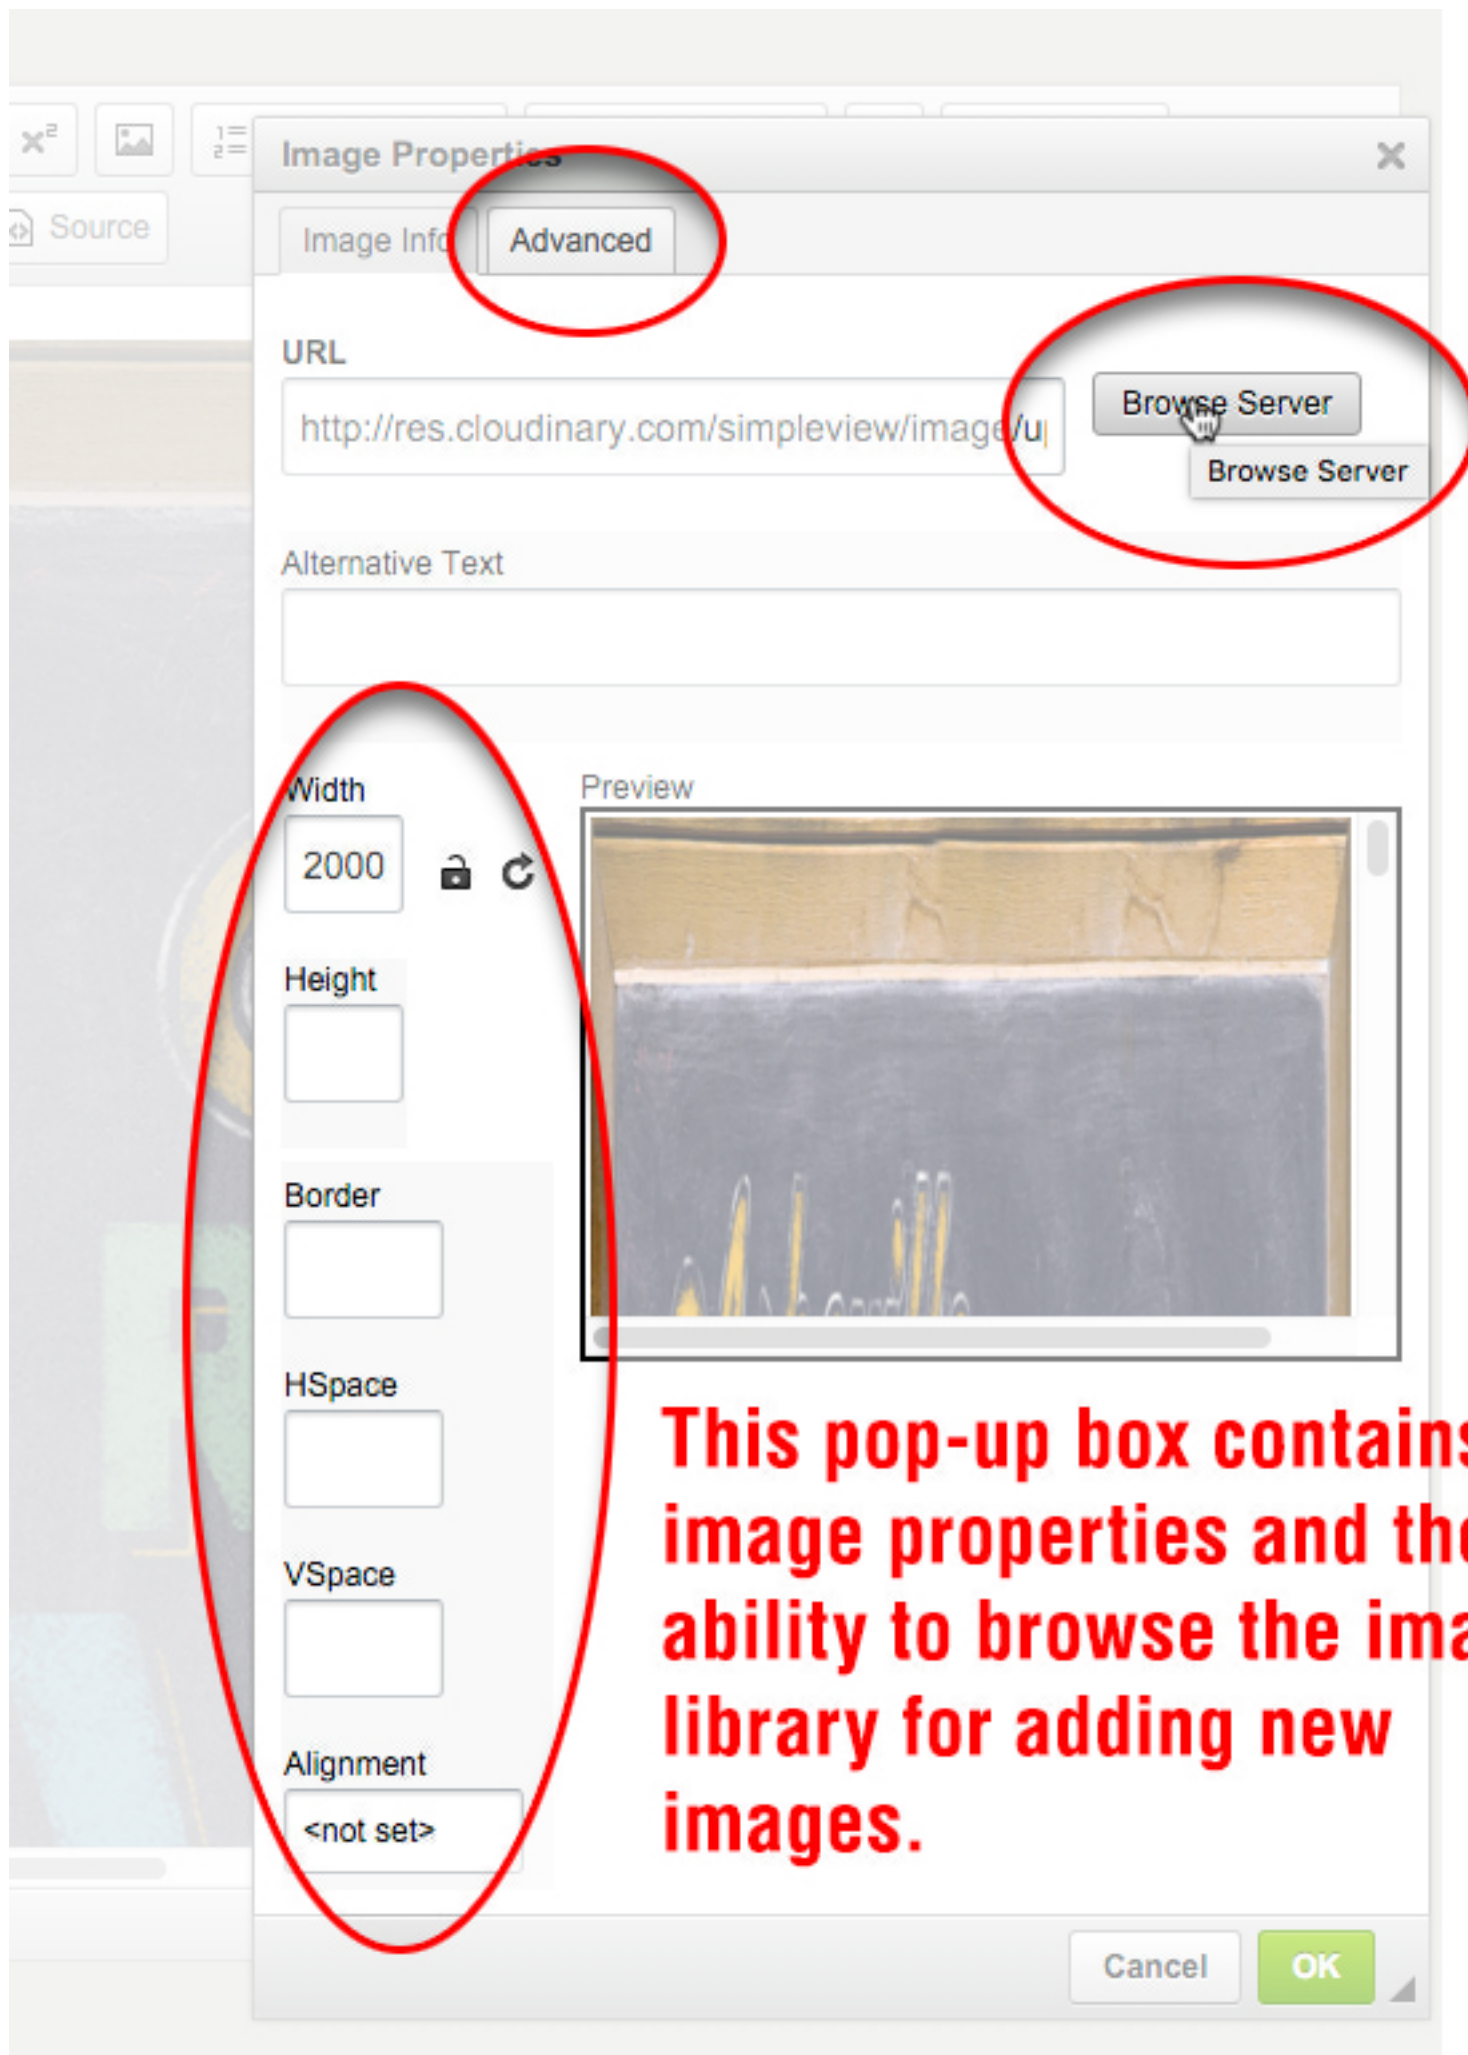

The teal boxes are “panels” and control layout; the yellow boxes are “widgets” and contain the content.

Hovering the mouse over a widget will highlight the content in the preview window.

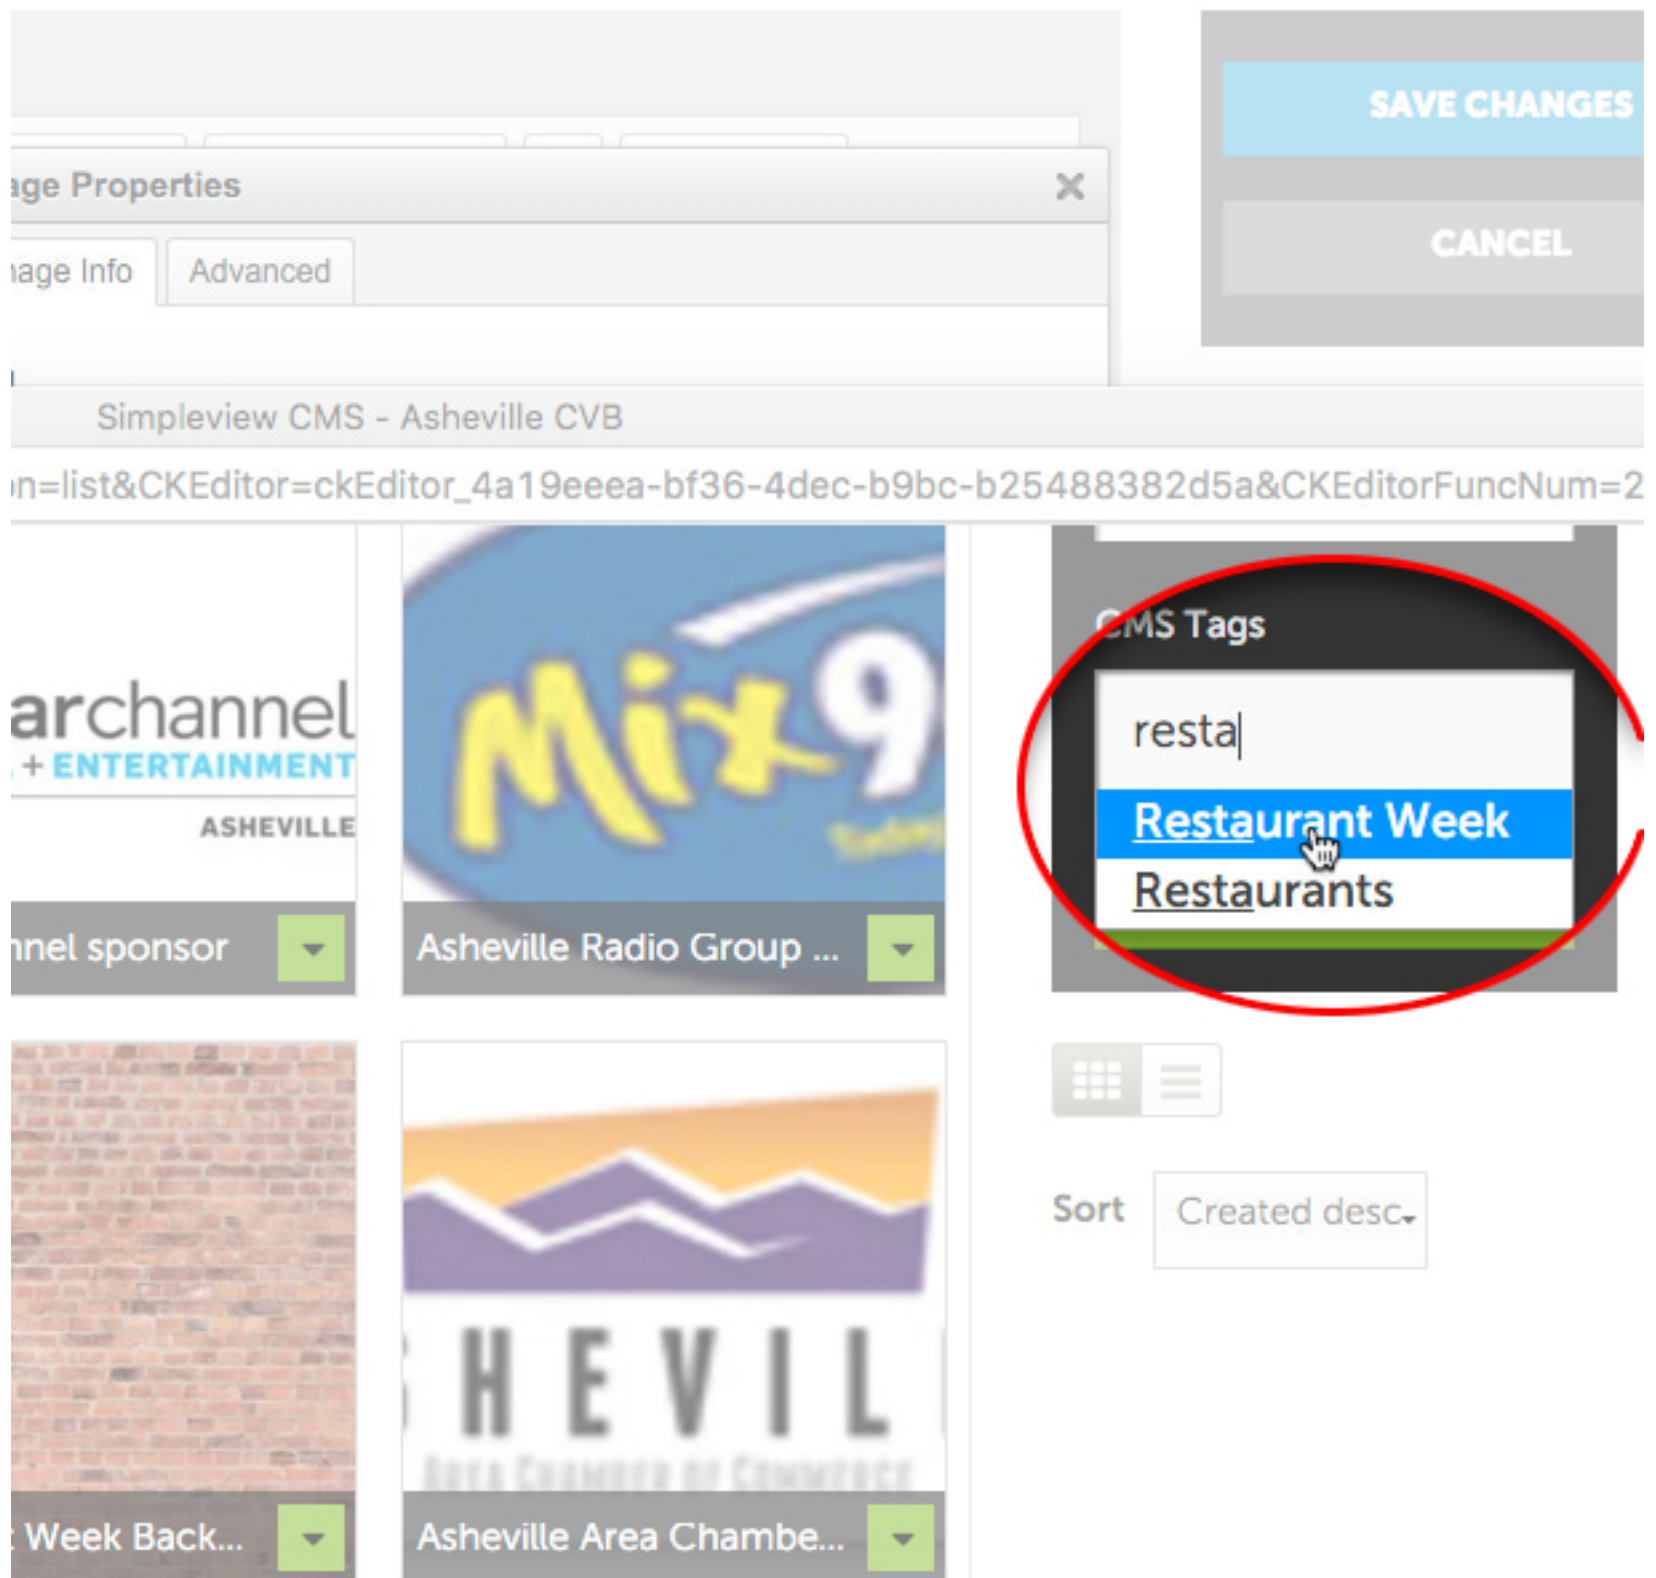

Text

To edit an image, select the image and click the “image” icon.

This pop-up box contains image properties and the ability to browse the image library for adding new images.

**Every image gets tagged “Restaurant Week”
Use the ‘CMS Tags’ box for searching ARW
images, and make sure to tag images that are
uploaded.**
